V. IMPORTANT INFORMATION

Accommodation

BSB has its own accommodation platform (<http://housing.bsb-education.com>), where students will find offers for Dijon and Lyon. Students will have to create an account with a specific login that will be sent upon admission at BSB.

Dijon campus: The International Relations Office still manages limited offers in public student residences or female students' residence. Should students be interested, they will receive application instructions once admitted at BSB.

Lyon campus: All offers are listed on the platform (<http://housing.bsb-education.com>), should exchange students have questions about the city & campus location, they can contact Ms. Celina FASANO CAMARA (celina.fasano-camara@bsb-education.com)

Important: Please note that due to a lack of sufficient student housing in France, we cannot guarantee a particular type of accommodation. General information about accommodation can be found at <https://www.bsb-education.com/en/international/international-student/prepare-your-stay/accommodation.html>

Insurance Policy

It is compulsory for all students living in France to subscribe to:

- * **Personal liability insurance** "responsabilité civile" (it may be included in the traveling insurance)
- * **Insurance policy for your accommodation** "assurance habitation" covering at least water & fire damage. This insurance is required within the first week of the accommodation contract.

You can take out insurance cover (which usually includes both liability insurance and insurance policy) with the company of your choice or a bank when opening a bank account in France.

Health Insurance

All students are required to have health insurance covering medical expenses for one semester or the full year.

European students: will have to bring their European Health Insurance card and will then be exempted from registering to the French Student Health Insurance.

Non-European students: Students will have to subscribe to the **free** French Health insurance system upon arrival.

A workshop is organized during each orientation session to explain to you step by step how to apply to the French Health Insurance system, and more generally how the French Health system works.

Housing Benefit

Exchange students can apply for housing benefit from the French government (CAF, *Caisse d'Allocations Familiales*) under certain conditions (according to the type of Visa they have).

Please note that students will need to open a French bank account before applying to the CAF. **Students will also need to provide a copy of their birth certificate translated into French** (Please note that some languages are not available in France for official translation).
