Overall cost of Living: 1,000 euros per month

Health Insurance

-

French Student Social Security

The "Sécurité Sociale" is French national Health-care plan which provides basic medical coverage and a partial refund of your medical expenses. The French "Sécurité Sociale" is mandatory for all international students (European and non-European nationalities) staying more than 3 months in France.

International students

(coming from outside the European Union)

• Staying less than 3 months

You have no obligation to register with the French health insurance plan. However you have to take out an international insurance policy back in your home country that will cover you during your stay in France. European Union students must have their European Health Insurance Card (EHIC) covering them for at least the whole of their stay.

• Staying more than 3 months

- **European Students/ Swiss nationals** must have a **European Health Insurance Card (EHIC)**. Please make sure that your card covers you for at least the whole of your stay.
- **Non European nationals** have to register with the French Social Security through a dedicated website: <https://etudiant-etranger.ameli.fr/#/> (available in English)
- **Particular cases for students from the following countries have to provide the Student Affairs Office with the document indicated:**
 - Québec : form SE 401 Q106
 - Andorra: certificate SE 130-04
 - Monaco: the health coverage agreement issued by Monaco.

Complementary health insurance

It is possible and recommended to sign up for complementary health insurance. LMDE or SMERRA have special offers for students but you can take the company of your choice. This insurance will allow students to get a higher refund of expensive medical care: dental care, specialists...

Third-party liability

This insurance covers you when you cause damage to a third party. If you are not insured against this risk in your own country, you take out this insurance upon arrival at **emlyon business school**. It costs 10€ for one year.

Student card

In order to obtain the Student Card, students must complete their administrative file on the platform so that it can be validated by the Student Support team. Make sure your file is complete before your arrival. You will receive information concerning the administrative registration in due time.

Visa

-

Passport

Citizens of European Union countries only require their identity card to enter France, but citizens from other countries require a passport issued in their country of origin. The passport must not expire before the end of the planned stay.

Visa

For foreign students wishing to stay in France, the first step is to check if you need to obtain a visa from the French consulate in your country of origin: https://france-visas.gouv.fr/en_US/web/france-visas/ai-je-besoin-d-un-visa

There are two types of visas:

- **Short-stay visa (*visa de court séjour*)** is issued for stays up to 3 months.
- **Long-stay visas (*visas de long séjour*)** are issued for stays over 3 months.

Concerning the long-stay visas:

- **Long-stay visa D "*Dispense Temporaire de Titre de séjour*" (Temporary Exemption of Residence Permit)**

This visa allows students to study in a public or private institution of higher education for a maximum of 6 months. It is not renewable and does not entitle the beneficiary to claim residence.

- **The student long-stay visa, called also Visa D-VLS-TS** is a one-year visa to be converted into a student residence permit. Specific documents will be required when arriving at **emlyon business school** and the required formalities will be undertaken with the Student Affairs Office.

As regards the latter kind of visa (visa - residence permit), students should take care to keep the official consular form with them at all times. This document is mandatory to confirm the visa upon arrival in France and at **emlyon business school**.

The one-year visa D VLS-TS has to be validated by the OFII (Office Français de l'Immigration et de l'Intégration), within 3 months of arrival in France. This is a compulsory procedure.

Please note that students will have to provide the following documents during administrative registration at **emlyon business school**:

- Valid passport + valid student visa
- Official consular form
- Medical certificates, lung X-ray included (vaccination statement, certificate of no contraindication for sports)

You can apply for your visa through Campus France <https://pastel.diplomatie.gouv.fr/etudesenfrance>

Please note 3 very important pieces of advice

- A tourist visa cannot be converted into a student visa in France or in any other country of the European Union and it does not allow you to register at a French school.
- A "1 Transit Schengen" visa does not allow you to travel through Europe.
- A "D visa + 1 Transit Schengen" will only allow you to transit once through a European Union country when coming to or leaving France.
